DESCRIPTION

The Volen pendant range is a versatile lighting collection, available in single (1 light), 4 light, and 5 light configurations. Designed with a contemporary touch, it features a sleek matt black finish with elegant gold accents and a black smoke glass shade. The center tube offers customisation with two options: one with round perforated holes for a more diffused light effect and the other fully closed opal cover for a more focused light output. The range incorporates integrated LED technology for energy efficiency and modern aesthetics.
